

Turf Days™

Celebrating New Zealand's Turf Industry

MARCH 19TH & 20TH 2025 • KIMIHI RESEARCH CENTRE, LINCOLN, CANTERBURY

Invitation to exhibit.

March 19th & 20th 2025
Kimihia Research Centre

On behalf of the Turf Days™ organising group I would like to invite you to exhibit at the Turf Days 2025 event, in Lincoln, Canterbury at the Kimihia Research and Plant Breeding Facility on **Wednesday the 19th and Thursday the 20th of March 2025.**

Following on from our successful launch event in 2023, Turf Days 2025 will be a two-day celebration of the New Zealand turf industry, at one excellent location. The vision remains the same; a two-day event that celebrates the New Zealand turf industry. This is an opportunity for the trade, associated with all aspects of the turf sector, to present their businesses and offerings to a wide section of the New Zealand turf market.

Attendees from the golf, council, stadia, bowls, landscape and the general amenity turf market are all invited to come together for a hands-on experience with new technologies whilst being able to socialise and connect in a fun and vibrant atmosphere.

This year, more of Kimihia will be available to the exhibitors for machinery demonstrations, static displays, and interactive product promotions. Like 2023, we are confident that Turf Days 2025 will be a highlight of the year for all involved in the professional turf industry of New Zealand.

We look forward to welcoming exhibitors to the 2025 Turf Days event and we are excited to host you in Canterbury.

Exhibiting at Turf Days™.

Turf Days is fast becoming New Zealand's trade premier turf industry event. Located outdoors in a large allocated space at the Kimihia Research and Plant Breeding Facility Centre, exhibiting companies can choose to utilise large, medium and small sites to demonstrate their machinery and other products.

The exhibition area provides space for up to 25-30 sites, with a designated service road and demonstration area for large machinery to be seen in action by attendees. Power and water connections are available while food vendors will be available for attendees as they move around the trade sites.

Toilets will be within close reach and a large outdoor marquee and bar provide spaces for presentations and shelter from the sun.

As part of registering to exhibit at Turf Days 2025, exhibitors will be provided with onsite needs including temporary structures, furniture and accessories.
